Our solutions

Different solutions that fits each one of our Sellers needs

API trip

All in "one-contract"

- ✓ One contract that allows Sellers to access to all product and providers
- ✓ Servantrip pays to providers. Monthly invoices and payments are done by Servantrip.

REVENUE SHARE

- ✓ Average % over the Net price.

HUB connect

Individual agreements

- ✓ Sellers access only to the product from providers with whom signed
- ✓ Seller pays to providers. Exclusive competence on the Seller side.

TRANSACTION FEE

- ✓ Average % over the Net Price, as a monthly transaction fee.

Easy and simple integration for Providers through our API connector

API Market

Servantrip connector for Activities & Tickets is available for those providers who want to integrate their services portfolio in the Servantrip solution.

- ✓ Simplify the implementation
- ✓ Improved delivery service
- ✓ Technical support

AND MORE...

THANK YOU :)
